"The Child Labor Question"

By John Wilson Bengough

(printed in The Public on May 16, 1903)

PARENT: "No, Sir, I don't send 'em to work from greed, but because I've got to. But if I done it from downright Selfishness, what do you think of the Social conditions of a Republic that would turn parents into something worse than brutes?"

Uncle Sam holds a document labeled, "Land Monopoly System, High Tariff, Trust Rule."
